

The
Bertie Arms
UFFINGTON

Dearest customers & residents of our lovely village,

It is with a heavy heart that we must close the doors at The Bertie Arms, it was just beginning to feel like the tide had turned. We will still be here for takeaways and will be counting down the days until we can re-open, fingers crossed it will be in time for Christmas!!!

Takeaway services will operate in the same way they did in Lockdown 1. Please call or message us via social media to reserve your time slot (this can be done at anytime in advance) then keep an eye out on the day for the menu (Facebook or Instagram) and call to place your order and pay for your food. The menu will change from day to day so we will be unable to take food orders in advance.

Takeaways will be available by pre-order only, anyone turning up without an allocated time slot will be asked to leave the premises until their order is ready. Please note you will not be able to consume any of your takeaway on the premises.

The service hours below are the times we would like to operate, however if the demand is not sufficient, we may have to reduce them in due course.
